

## FOR IMMEDIATE RELEASE

Be Enlightened, LLC Presents The Elevated Table 2026: Released to Rise

Be Enlightened, LLC proudly announces The Elevated Table 2026, a premier women's leadership experience taking place on Saturday, April 25, 2026, in Raleigh, North Carolina. Designed to bring together women leaders, entrepreneurs, and professionals, The Elevated Table offers a powerful space for growth, connection, and purpose-driven leadership.

Building on the momentum of last year's Get Serious Women's Brunch, sponsored by Triangle Entrepreneurial Leadership, The Elevated Table marks the next evolution of this impactful gathering, with Be Enlightened, LLC stepping forward as the presenting organization. The 2026 experience expands the vision, scale, and depth of the event, reflecting a renewed commitment to elevating women's voices and leadership.

"We created The Elevated Table as a space where women are released from doubt, repositioned for growth, and empowered to rise into their next level," said Keturah Wicks, Founder and CEO of Be Enlightened, LLC. "This experience is about alignment, clarity, and impact—both personally and professionally."

The event is expected to welcome 250–300 attendees from diverse industries and leadership levels. A full speaker lineup will be announced soon, and early registration is strongly encouraged, as seating is limited and expected to sell quickly.
